

NEW TRUSTEES at Cohasset Savings Bank are Joseph E. Wood, center, and Robert E. Gibbons, right, welcomed by Bank President Osborne F. Ingram. Wood is a local builder and Gibbons an investment banker and both have been bank corporators for an extended period.

Most banks give loans to people who don't need them.

At South Shore, we figure that if you've got a home and you want to increase the value of that home with a bit of improvement, you're probably just the kind of customer we like having.

So, we're fast. In many cases, we can have your check for you within 24 hours. Our rates are good. And while you're here, ask how you can save a full percentage point off any loan over \$1500.

That's a good deal for you and a good deal for us. Because even when you no longer need a loan, you'll still need a bank. And it's a pretty sure bet that the bank you stay with will be us.

Election Of Officers At Next Jaycees Meeting

Election of Officers will be held at the next general meeting of the Jaycees on May 15. Nominations for the eight posts will be accepted at the meeting. Events include the 50 meter dash, softball throwing events and agility run, long jump competition and either a 400 meter or 800 meter run depending upon the age of the child. The competition is open to all children on the day of the event. A birth certificate must accompany all registrations.

The number of seniors applying for this scholarship was half of the number from the year before, and the scholarships have doubled in size from last year's \$200 — to \$400. Roy Fitzsimmons will make the award later this month.

Allen DeVito responded to the Cohasset Courtside Clubs idea the community should do "something special" for the Town's Championship High School Basketball Team. Allen asked the Jaycees to buy a felt banner with the words "1979 State Semifinalists" to be hung from the ceiling of the Sullivan Gym.

The Jaycees also sent Camp Lincoln Hill another check for \$100. So far this year the Cohasset chapter has donated \$500. to the camp for non educable youngsters.
